What do they sound like?

“T.C.B.B. has an up-beat indie pop feel that people enjoy dancing to. From their catchy lyrics to the energy induced live shows, there’s palpable allurement to The Candace Brooks Band. Four witty and unique individuals come together to construct a vicious blend of progressive aggressive alternative rock.

Motif Magazine had this to say about The Candace Brooks Band. *“The Candace Brooks Band is pure, unadulterated rock. Ms. Brooks’ vocal delivery provides context for the lyrics that would otherwise be lost had someone else been singing. Her timbre is contradictory in many ways - sweet yet dirty - soft yet aggressive -immaculate yet lustful.”*
